**Ziel della Bosana** run in Endurance until to participate at CEI 2\* events and now he works as stallion in our breeding and for private owner.

He has 21 foals. The first was born in 2012. In 2018 he covered 16 mares.

His matern line is one of the most important Italian line for endurance. **Jasmineh** is the only Italian mare whit 2 world team medals and a CEI 3\* 160 km in France.

The great number of relatives who run and won in endurance is a warranty of his value as a reproducer.
